

CITY OF QUINTE WEST

Invites Applications for a

Water & Wastewater Treatment Plant Operator

The City of Quinte West's Public Works and Environmental Services Department is currently inviting applications for the position of Water & Wastewater Treatment Plant Operator.

The Water & Wastewater Treatment Plant Operator is required to inspect, operate and maintain all mechanical, electrical and chemical systems associated with the municipality's Water and Wastewater Treatment Plants. Plant Operators are required to monitor facilities visually and by SCADA; record all data from booster and pumping stations, where they exist, including daily flows, chlorine feeds, fluoride feeds, power usage and chemical residuals; make operational changes necessary to maintain treatment based on process data collected, and make and implement operational changes, as required. Plant Operators are required to maintain proper records, logbooks and manuals; undertake all sampling as required by Provincial standards, rules and regulations, and perform basic laboratory tests on water and sewage samples.

Plant Operators are required to perform preventative and breakdown maintenance work, as assigned, and document and/or report repair requirements to the ORO (Overall Responsible Operator), the Manager and/or Director of Public Works and Environmental Services. As part of performing such repairs, Plant Operators must be able to work in confined spaces and from ladders. In addition to treatment plant experience and certification, industrial maintenance skills and experience are preferred.

The skillful use of process interpretation skills and trouble shooting skills to alter plant operation and to repair and maintain equipment and system are required. Plant Operators are expected to ensure that the requirements of the Occupational Health and Safety Act are followed. They must also be available for on-call service as directed by the Manager of Water and Wastewater Services, as well as, be available for after-hour and weekend work as required and be courteous to the public and show respect for equipment, etc.

Class 3 Certification is required, under fills will be considered.

Remuneration: 2014 CUPE Salary Grid \$28.44/hr. (40 hrs. /wk.). Salary is currently under review. The City offers an attractive benefits package.

Qualified applicants are invited to submit a resume clearly marked: "Application: Water & Wastewater Treatment Plant Operator" by 4:30 p.m. on September 25, 2014 to the undersigned:

Yvonne King
Executive Assistant to the Office of the Chief Administrative Officer
City of Quinte West P.O. Box 490 Trenton, ON K8V 5R6

Email: yvonnek@quintewest.ca Website Address: www.quintewest.ca

We thank all applicants for their interest and advise that only those candidates selected for an interview will be contacted. Personal information is collected under the authority of the Municipal Freedom of Information and Protection of Privacy Act and is used to determine eligibility for potential employment. In accordance with the Accessibility for Ontarians with Disabilities Act, the City of Quinte West is pleased to accommodate individual needs of applicants with disabilities within the recruitment process. Please call 613-392-2841 (4489) or yvonnek@quintewest.ca if you require an accommodation to ensure your participation in the recruitment and selection process.
