Our organization now has an opening for a full-time, permanent, Utilities Plant Operator Level 2 to work within the Infrastructure Services Department, reporting to the Manager of Utilities.

This position requires the performance of daily operational and maintenance functions at the water and wastewater plants, lift stations, raw water intakes, reservoirs; and overall system maintenance.

Qualifications:

- Valid Alberta Environmental Protection Certification (Level II minimum) in Water Treatment and Wastewater Treatment. Level II certification in Water Distribution and Wastewater Collection would be an asset.
- Extensive experience in Water Treatment and Wastewater Treatment Plants, lab operations, maintenance and effective record keeping skills.
- Working knowledge in Microsoft Word, Excel and SCADA Systems.
- Valid Class 5 Driver's Licence.
- Minimum high school education.

The applicant must be physically fit for heavy labour related tasks and be prepared to do shift work, on-call and any overtime as required by the supervisor. The successful applicant will be a person who is willing to work outside the parameters of the position description and be able to work with minimal supervision.

The position requires an individual who is safety conscious with self-motivation, exhibits accuracy, mechanical and computer skills, neatness and completeness in all functions, and relates in a positive manner to the general public, Alberta Environment, as well as other staff members. The successful applicant will be required to pass a pre-employment physical and criminal record check and provide a drivers' abstract prior to being hired.

Job descriptions are available upon request. The rate of the position starts at \$27.41 per hour (Under review for 2015).
