Agriculture Foreman

Full-Time

Leduc County is hiring an Ag Foreman to lead, support and promote designated agricultural programs within our region; including, roadside weed control, weed inspection, mowing and seeding programs, and the clubroot inspection program. The Ag Foreman is a municipal inspector under the Weed Control Act and the Agricultural Pest Act as delegated by the Province of Alberta and Leduc County Council. Overseeing seasonal staff and engaging our community through the facilitation of workshops and information sessions are key responsibilities. During the winter, the Ag Foreman is involved with planning, developing and reviewing programs and agricultural policy by researching new technologies and best practices and engaging our citizenry; overseeing the purchase, maintenance and disposal of equipment and assisting with day to day snow removal demands in the County.

Candidates best suited will have a diploma or degree from a post-secondary institution in an agriculture-related field, supervisory experience and must have, or be eligible to obtain, a pesticide certificate. Knowledge and experience in handling and maintaining agricultural equipment is required, as is a valid class 5 drivers license (class 3 with air endorsement would be an asset).

We offer above average wages and benefits and the opportunity to work with people who are committed to performance excellence, good stewardship, innovation and creativity in order to provide quality municipal services to the citizens within Leduc County.

The annual salary range for 2014 is \$69,200 – \$87,051.
