

**TOWN OF VERMILION  
CAREER OPPORTUNITY  
DIRECTOR OF TRANSPORTATION & UTILITIES**

- The Town of Vermilion with a population of 4,545, is located on the crossroads of the Trans-Canada Yellowhead Highway 16 and the Buffalo Trail Highway 41,190 km east of Edmonton.
- Vermilion boasts a high quality of life and a family oriented community.
- The Municipal Corporation is governed by Council and administered by a Chief Administrative Officer (Town Manager) and three Department Heads (Directors).

We are seeking a new team member for the full time permanent position of Director of Transportation & Utilities for this thriving, educational, and agricultural service based community. If you share values of customer service, quality of work life, continuous improvement of learning and participation and, maintain a strong commitment to team work, this position will be attractive to you.

This opportunity offers a blend of responsibilities related to directing and supervising a comprehensive transportation and public utilities program, garbage and recycling collection, airport maintenance, and supervising infrastructure capital projects.

The Town is seeking a individual with clear pattern of professional and personal development to support this management role, with a minimum of five years experience working in a Municipality at a senior level. The ideal candidate will have academics in engineering or business. The candidate must be highly motivated with excellent skills in leadership, organization, supervision, financial management, computer applications, strategic planning, and problem solving. The candidate must be able to communicate effectively with Municipal Council, Senior Staff, Employees, and the Public. Candidates with equivalent education and experience may be considered.

The Town of Vermilion offers a competitive salary and benefits package. The annual salary range for this position is \$91,724 - \$111,596 depending upon qualifications and experience.

If you are looking for an opportunity to work and participate in a dynamic team environment, please submit your resume complete with references to:
