

FOREMAN II (Water Service)

- *Are you driven to achieve?*
- *Do you have excellent analytical and problem solving skills?*
- *Do you want to work and live in a beautiful coastal environment?*
- *Don't miss this exciting opportunity!*

Vancouver Island is one of Canada's most enviable locations and Campbell River is ideally situated to take advantage of the best the island has to offer. With a moderate climate, spectacular scenery and year-round recreational offerings at its doorstep, Campbell River is a community that will continue to attract people from all locations.

The City of Campbell River is looking for a highly skilled and motivated individual to work within its Utilities Department.

Reporting to the Water Supervisor, the Foreman II is responsible for operations and maintenance of water infrastructure.

Success in this role requires:

- two (2) year Diploma from a recognized technical school in water related studies, or a journeyman trade in a field related to water services, or an assessable equivalent in education, training and experience;
- level 3 EOCP Certification in Water Distribution, with an eligibility to gain Level 4 EOCP Certification within 2 years'
- Chlorine Handler Certification;
- Instrumentation training and experience (eg SCADA);
- four (4) years' experience in a water operations role for a Class III or higher system;
- three (3) years of supervisory/leadership experience;
- one (1) year experience in a water operations role utilizing Level 3 EOCP certification in Water Distribution;
- three (3) years' experience in project management.

The current hourly rate of pay for this CUPE bargaining unit position is \$35.60, working a 40-hour work week.

For a detailed job description, please visit the "*Employment Opportunities*" section of our website at www.campbellriver.ca.

If you have the skills we are looking for, you wish to work in a friendly, goal oriented department, and you want to live, work and play in a great community, apply now!

Please send your resume AND covering letter, quoting **EXT-14-58** to:
