

# Employment Opportunity

## GIS Database Technician

We're looking for a qualified and motivated individual to join the RDEK team as the GIS Database Technician. You will perform a wide range of technical work in maintaining corporate databases and the development and maintenance of the Geographical Information System (GIS) in a customer service oriented environment.

With strong analytical problem solving and organizational skills, focused on data integrity and quality control you ensure accuracy of the GIS. You enjoy working with a variety of people at all levels inside and outside the organization and are known for building and maintaining strong working relationships. Others describe your initiative, flexibility, service and ability to get the job done as truly exceptional.

### Your Qualifications Include:

- Post-Secondary Degree or Diploma in GIS or related field and two years experience or an equivalent combination of training and experience;
- Ability to develop and maintain corporate databases;
- Proven experience with Microstation, ArcMap and FME software;
- Thorough knowledge of GIS including data management, development, operation and maintenance;
- Working knowledge of computer-based mapping systems; and
- Ability to convert field survey information, including GPS data, to GIS format.

The RDEK offers a great work environment and an attractive total compensation package, which includes a competitive salary, excellent benefits, a modified work week and learning opportunities. This is a permanent, full-time (35 hours per week) Union position with a starting salary of \$4,906/month.

Qualified individuals interested in this opportunity are invited to forward a cover letter and resume including references, in confidence, prior to **4:30 pm, Tuesday, April 7, 2015** to:

Lori Engler, Human Resources Manager  
Email: [hr@rdek.bc.ca](mailto:hr@rdek.bc.ca) (MS Word format or PDF)  
**Please quote: Competition GIS-02**

Information on our organization and a complete job description are available on the RDEK website ([www.rdek.bc.ca/careers](http://www.rdek.bc.ca/careers))

We thank all who apply. Only those selected for further consideration will be contacted.
