RECREATION OPERATIONS MANAGER SOUTH SURREY

As the City of Surrey's Parks, Recreation & Culture Department, we enhance the quality of life in our communities by working together to provide and facilitate the development of high quality parks, facilities and services, celebrate diversity and community identity and ensure accessibility and inclusivity for all. We fulfill our mission through open communication, a customer focus, and respect for individuals.

This manager position is an advanced level of professional work related to the complex and diverse operation and administration of recreation services and the development, coordination and implementation of community programs and partnerships designed to meet the needs of the South Surrey community. Work at this level is characterized by the significant scope and depth of financial and supervisory responsibility within a diverse working environment and the high profile of community services responsibility.

This exciting new management position will be responsible for developing long range plans, program frameworks in a functional area of the Community and Recreation Services Division and overseeing facilities maintenance, budget preparation, employee relations, presentations and fostering of partnerships. Reporting to the South Surrey Community and Recreation Services Manager, you will provide direction to a team of dedicated, unionized staff that are passionate about what they do. Your duties will encompass, planning, developing, promoting and the evaluation and collaboration of programs and services that address the full range of diverse developmental needs and aspirations. You will manage risk and occupational health and safety issues as well as be involved in labour relations within the South Surrey Town Centre.

You are able to establish and maintain effective professional relationships with various community agencies and businesses, as well as with other department managers within the City of Surrey. You have the ability to work independently and are experienced in balancing needs within a diverse environment. You have related work experience in managing day to day operations of a Recreation Centre inclusive of the responsibilities as outlined above and demonstrate your achievements on your resume.

As the successful candidate, you hold a degree in Recreation, Business Administration or related field, and bring a strong background in recreation management, preferably within a municipal setting. You are someone who excels in a customer focused and entrepreneurial setting and can demonstrate this through your accomplishments.
