

NORTHLANDS
GOLF COURSE

**CLUBHOUSE LANDSCAPE MAINTENANCE WORKER
(Seasonal)**

Northlands Golf Course established in 1997 is a 6400-yard, par 71, 18 hole public golf course owned and operated by the District of North Vancouver. Northlands: *'Where Nature is Your Playing Partner!'* is located on 135 magnificent acres of mountainside rain forest at the base of Mt. Seymour in North Vancouver. We provide the public with year round golf at an affordable green fee on this beautifully designed Les Furber championship course.

We are currently looking for a seasonal Clubhouse Landscape Maintenance Worker to join our Turf Care team. Reporting to the Assistant Turf Care Supervisor, you will maintain the appearance of quality in all Clubhouses and surrounding area landscapes. You will also provide the Assistant Turf Care Supervisor with regular input on issues of plant health and landscape design.

You will have experience in operating motorized landscape maintenance equipment; identifying and recording plant disease and insect problems; applying pest control products, as well as knowledge and experience in landscaping maintenance and design. You are able to make recommendations on plant material selection, source suppliers and obtain price quotations. We are looking for someone who is reliable; capable of working outdoors in all weather conditions with minimal supervision in a team environment, and able to demonstrate independence in judgement and action. A recognized certificate, diploma or completion of related courses in landscaping or a related field is an asset. A valid Class 5 BC Drivers Licence and a current BC Pesticide Applicators Certificate are required.

The rate for this position is \$25.41 per hour (2015 rate) based on a 25hr. work week.

Please submit your resume before 4:30pm on March 4, 2016 to www.dnv.org/careers.

We appreciate your response and advise that only those applicants selected for an interview will be contacted.
