

FACILITIES MAINTENANCE I WORKER (Full Time and On-Call Relief Positions)

The Facilities Department of the City of Penticton is seeking motivated team players to fill full time and on-call relief positions servicing the City's facilities. The successful candidates will have experience in arena refrigeration plant operation, pool operations (including pool start up and shut down) and janitorial practices. Facilities Maintenance I Workers also deal with public inquiries within the recreation facilities and assist with preventative maintenance programs. The positions include duties that require heavy physical effort and require the ability to provide excellent service to the public. Shift work, including evenings, overnights and weekends, will be required.

The successful candidates will also possess:

- Completion of Grade 12, supplemented with a minimum of BC Refrigeration Plant Operator Certification
- Pool Operator II certification
- Building Service Worker certification is an asset
- Carpentry and painting skills are an asset
- Knowledge of municipal safety procedures and practices
- Teamwork, including the ability to work with internal and external contacts and various trades
- Excellent interpersonal/communication skills, attention to detail and be a flexible self-starter
- Valid Class 5 Drivers' Licence

The salary for this position is \$24.53 to \$27.22 per hour (pay grade 080). Full time positions also include generous benefits and pension plans. On-call relief positions are paid an additional 14% in lieu of benefits.

Interested applicants are encouraged to send their cover letter and resume by 4:00 pm on Friday, May 6, 2016 to:
