

BUILD A CITY. BUILD A FUTURE.

HEAVY DUTY/COMMERCIAL MECHANIC *(Regular Full Time)*

Recently awarded by the American Public Works Association and a Top BC Employer we are looking to add to our dedicated team a Heavy Duty/Commercial Mechanic. Reporting to the Fleet & Garage Manager in Engineering Operations, the incumbent will perform skilled trade tasks involving considerable physical effort and active performance in maintaining, servicing and repairing a wide variety of multiple fuel type vehicles and equipment.

RESPONSIBILITIES

- Perform a variety of tasks including maintenance and repair on a wide variety of equipment from weed eaters to dump trucks, to excavators.
- Inspect and troubleshoot equipment and vehicles to observe performance and determine cause of malfunction.
- Dismantles equipment including engines, transmissions, differentials and blocks and services equipment for repair.
- Overhauls component parts such as carburetors, generators, fuel pumps, distributors and starters.
- Interacts directly with customers and the public.

QUALIFICATIONS

- Grade 12 or GED
- Trades Qualification of a Commercial or Heavy Duty Mechanic.
- Experience and training as a qualified trades mechanic.
- BC Class 3 Driver's license with air brake endorsement or out of province equivalent and a safe driving record.

ASSETS

- Commercial Vehicle Inspection Program certification is an asset.
- Experience performing repairs on heavy duty equipment (e.g. Backhoes, Excavators).
- Experience communicating and interacting directly with customers regarding mechanical matters.

Note: This position is for the afternoon shift. The hours of work are from 3:30pm to 11:30pm, Monday to Friday.

INTEGRITY • SERVICE • TEAMWORK • INNOVATION • COMMUNITY
