

ENGINEERING TECHNOLOGIST III

Regular Full-time

Competition File #: 17-U119

Web Site: tol.ca

Join a "Community of Communities" – the Township of Langley, home to approximately 120,000 residents, is committed to providing progressive business, housing, and recreational opportunities, while balancing its unique mix of urban growth and rural beauty. A truly fun and beautiful place to work, the Township of Langley offers competitive salaries; excellent benefit packages; municipal pension plan; employee wellness programs; and, opportunities for professional development and career growth.

The Township of Langley is currently recruiting for a regular full-time **Engineering Technologist III** to join our team of professionals in the Engineering Division; Engineering and Construction Services Department.

Reporting to the Manager, Engineering Services, you will be responsible in this unionized position for coordinating design, contract documentation and contract administration for various construction and installation projects; acting as liaison between architectural, engineering and/or construction firms and user departments to ensure desired results; preparing and maintaining a variety of materials such as records, technical and status reports, correspondence and project specifications; performing design and layout work for minor capital projects. You will also be responsible for conducting field inspections; ensuring that all work performed is in accordance with contractual terms and established regulations; and planning, assigning, and supervising the work of one or more technical subordinates.

Your education will include graduation from an Institute of Technology with a Civil Engineering Technologist Diploma and considerable related experience, or an equivalent combination of training and experience. Considerable knowledge of technical engineering and construction principles, practices and procedures; of construction materials, costs and methods; and a working knowledge of the B.C. Building Code, zoning and related municipal legislation governing the work performed is necessary.

In order to be considered for this position, candidates must have the following valid and current certifications / licenses (must be valid at the time the posting closes) and these **must** be attached with your application. **Applications without the attached required documents below will be deemed incomplete and will not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply:**

- Certification or eligibility for certification as an Applied Science Technologist within the Province of British Columbia.
- BC Class 5 (full-privilege) driver's license or equivalent driver's license for where you reside. You must upload a current **Driver's Abstract (select the 5 years' option if obtaining online)** that has been obtained within 6 months of the closing date below with your application. To obtain a copy of your **Driver's Abstract**, please contact ICBC directly or the driving authority where you reside. Copies or pictures of your driver's license will **not** be accepted.

The CUPE rate of pay for this position is \$36.91 - \$43.62 per hour (5 steps 2015 rates), plus benefits. The hours of work are Monday to Friday 8:00am – 4:30pm.

If you wish to pursue this exciting career in a growing community, please visit tol.ca/careers to apply.

The closing date for this competition is by **4:30pm Thursday, October 5, 2017.**

We appreciate all applications; however, only short-listed candidates will be contacted for an interview.
