- Strong verbal and written communication skills

Assets

- Education and/or experience with marketing
- Experience with hosting/server management (WHM, Cpanel) including setting up databases, troubleshooting issues, and implementing security practices
- Experience with SharePoint development and the .NET framework

Interested applicants should review the entire job posting, and then apply online, following the outlined process. Please note that although a resume and cover letter are required, this does not eliminate the need to complete the Applicant Profile, as resumes are screened electronically. Deadline for applications is **12:00 midnight on Monday, October 9, 2017.**

Personal information contained in applications will be used for recruitment purposes and collected as per the Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990, Chapter M.56.

The Corporation of the County of Bruce is an equal opportunity employer committed to an inclusive, barrier-free recruitment and selection process. If contacted for an employment opportunity, please advise Human Resources if you require accommodation.

We thank all applicants in advance, but regret that only those selected for interviews will be contacted.
