## Position Vacancy: Transportation Planner

---

***Great City, Great Work, Great Future!***

DEPARTMENT:	<b>Engineering Services</b>	STATUS:	<b>Full-Time</b>
NO. OF POSITIONS:	<b>One</b>	UNION:	<b>CUPE 387</b>
HOURS OF WORK:	<b>35 hours per week</b>	SALARY:	<b>\$73,341 to \$86,636 annually (2015 rates)</b>

The City of New Westminster is seeking a Transportation Planning professional to join our dynamic team. You have specialized knowledge and skills in research, analysis and interpretation of data and in the development and refinement of transportation plans and implementation of various City transportation programs. The work also entails review and evaluation of development applications from a transportation planning perspective and requires considerable contact with community organizations, citizens' groups, developers, consultants, Council and various interest groups. You are a professional who exercises considerable initiative and independent judgement in professional transportation planning matters. This position also provides supervision to a small team of technical staff.

If you are looking to become an integral member of a dedicated and energetic team, possess a solid understanding of municipal transportation planning principles, and are committed to excellent customer service, this is the position for you.

### **REQUIREMENTS:**

- University graduation in a related discipline, plus a post graduate degree in Planning supplemented with technical training in transportation plus sound related experience in transportation planning. Membership with the Institute of Transportation Engineers is desirable. A combination of education and experience as acceptable to the employer may be considered.
- Considerable knowledge of the methods, practices, techniques and equipment used in transportation planning.
- Considerable knowledge of the rules, regulations, policies, by-laws and objectives governing the operations of the Transportation Division.
- Considerable knowledge of standard research methods and techniques and of the current trends and developments in transportation planning.
- Sound knowledge of administrative methods, procedures and policies as applied to the work.
- Ability to perform planning, research and analytical tasks, apply statistical techniques and communicate effectively in oral and written form.
- Ability to prepare reports and recommendations on a variety of planning projects, programs and policies.
- Ability to establish and maintain effective working relationships with staff, internal and external contacts and authorities.
- Ability to act as departmental representative on Municipal and regional committees and, as advisor, liaison and resource to internal and external contacts.
- Ability to exercise sound, consistent judgement and creativity to a variety of planning matters, problems and projects.
- Ability to problem solve and to make decisions on a variety of technical problems and matters.
- Demonstrated experience in effective supervision and oversight of technical staff.
- A commitment to excellent customer service, continuous improvement and life-long learning.
- Valid BC Driver's License for the Province of British Columbia.

Apply by sending your resume quoting **competition #16-81 by August 1, 2016** to the Human Resources Department, City of New Westminster, 511 Royal Avenue, New Westminster, BC, V3L 1H9, Fax: (604)527-4619 or e-mail to [hr@newwestcity.ca](mailto:hr@newwestcity.ca).

*We thank all applicants in advance; however, only those selected for an interview will be contacted.*

*The City of New Westminster is committed to employment equity.  
We welcome diversity and encourage applications from all qualified individuals.*
