

BUILD A CITY. BUILD A FUTURE.

SPECIAL EDUCATION EARLY CHILDHOOD EDUCATOR *(Auxiliary)*

As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation.

*City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. **Build a City. Build a Future** at the City of Surrey*

SCOPE

The City of Surrey provides exciting opportunities and challenges in an active and energetic environment and has a unique opportunity for qualified Special Education Early Childhood Educators. These positions are best suited to creative, collaborative individuals who enjoy working with children of disabilities. The City of Surrey follows a responsive curriculum and is committed to ensuring that every child in our program has a positive and safe experience.

RESPONSIBILITIES

The program activities are to encourage parent/caregiver involvement and be culturally reflective. You will take an active role in training sessions, attend group meetings, compile and maintain resources and informational material, as well as facilitate referrals for families and work closely with school personnel. Developing positive working relationships and fostering an atmosphere of trust whilst modeling and promoting best practice in early childhood development is an integral part of the role. These positions will involve working with parents and caregivers alongside their children in an inclusive, play based learning environment. The Special Education Early Childhood Educator will be responsible for:

- Setting up and maintaining a well-organized, stimulating play environment;
- Developing a variety of activities, including art, literacy, fine/gross motor skills, and constructive play;
- Encourages the development of self-esteem, oral language, social interaction, social responsibility and intercultural understanding;
- Providing parental support, in addition to building connections with schools and families.

QUALIFICATIONS

The successful candidates will have:

- An Early Childhood Education Post Basic Diploma (ECE), and Special Needs License To Practice;
