Facility Tradesperson
Environment and Infrastructure Services - Asset Management Services
Schedule: Monday to Friday, 7:30 a.m. - 4:00 p.m. (40 Hour Work Week)

Reporting to the Facility Operations Technician, the Facility Tradesperson will be required to:

- Monitor, assess, troubleshoot, and service various building electrical equipment and systems, such as MCC panels, electrical distribution systems, control systems, emergency generators, lighting and other electrical systems
- Service other building systems within the confines/restrictions of licence requirements
- Perform general building/architectural repairs and maintenance
- Perform general janitorial and cleaning functions
- Respond to and assess emergency calls from clients (public/staff)
- Ensure building systems are operated properly to provide consistent and reliable conditions at all Town facilities
- Operate Security and Life Safety Systems
- Carry out preventative maintenance tasks as assigned
- Recommend and maintain inventory of spare parts to minimize any downtime
- Communicate, coordinate and supervise repair work to minimize service interruptions
- Locate and diagnose trouble in the building systems or equipment and report abnormal conditions
- Ensure that all work is performed in full compliance with all applicable codes/standards/regulations, work instructions, established safety standards, the Occupational Health & Safety Act and the Town's safety standards and policies
- Compile and maintain on a daily basis all information and documentation relevant to all completed
- Perform other duties as assigned

Minimum qualifications include:

- High School Diploma or equivalent
- Trade License (309A) as an Electrician in the Province of Ontario
- Minimum 5 years' related experience in the control, operation, maintenance and repair of complex building systems and equipment
- Working knowledge of standard computer software applications (i.e. spreadsheets, databases, etc.), computerized building systems, and maintenance management systems (e.g. Maximo)
- Working knowledge of the Occupational Health & Safety Act
- Working knowledge of pool and arena operations
- Familiar with regulated operating requirements relating to building systems (i.e. Fire code, TSSA regulations)
- Demonstrated ability to prepare and keep records
- Ability to deal effectively with tact, courtesy, discretion and diplomacy with all levels of staff, the public and other third party representatives.
- Excellent analytical, organizational and problem solving skills
- Strong team orientation
- Excellent oral and written communication skills
- A valid Ontario Class "G" driver's license in good standing; the successful candidate will be required to provide a current satisfactory driver's abstract from the M.T.O. upon hire
- Available for rotating standby and potential alternate shifts, in accordance with the provisions contained in the Canadian Union of Public Employees (C.U.P.E.) Collective Agreement.
- The shifts and hours are subject to change at management's discretion in accordance with the (C.U.P.E.) Collective Agreement
- This position is a member of the Canadian Union of Public Employees (C.U.P.E.).
- Please note, selected qualified candidates will be required to complete a written test as part of the selection process

HOURLY RATE: \$32.03- \$33.63 (C.U.P.E.)
