### Painter Apprenticeship/Training Opportunity Building Services

The City of Kelowna has an exciting opportunity for a qualified or apprentice Painter to join our trades team. As a Painter, you will apply a variety of new and restorative applications to City Buildings and facilities equipment, structures, fixtures and other City assets using a variety of techniques and products.

The ideal candidate will have an interest and ability to attend trades school and achieve their Red Seal – Painter Ticket, hold some related experience, a Class 5 Driver's License, a high-school diploma or equivalent, and ability to pass an Enhanced Security Records Check. We require a strong team-player with excellent problem solving skills, along with a proven customer service focus.

This is a full-time/permanent CUPE bargaining position. If the successful incumbent holds their Red Seal Ticket, the pay rate for the position is \$33.33 per hour. For those that do not hold their Red Seal Ticket and are interested in completing a Painter apprenticeship, the 2017 pay-steps for the apprenticeship start at \$26.66 to \$29.99 per hour depending on the length of training plan (the hourly rate upon completion is \$33.33 per hour).

Come work, play and live in Kelowna and enjoy mild weather, stunning vistas, boating, skiing, boarding, hiking and much more! Help Kelowna become the best mid-sized City in North America. We offer career/professional development, progressive employment practices, and a great work environment.
