

## **Job Posting Public Works Labourer**

The Town of Kindersley is seeking a regular Full-Time Public Works Labourer to join its team in the Department of Transportation and Environmental Services. This is a permanent in-scope position whose primary responsibilities are related to the maintenance of the transportation and utility distribution networks.

A brief summary of this position is below; for a detailed job description, please visit [www.kindersley.ca/jobs](http://www.kindersley.ca/jobs)

### **Required Qualifications and Skills:**

- High School Diploma or G.E.D.
- Valid Saskatchewan Class 5 Drivers License
- Ability to operate Heavy Equipment in a safe and responsible manner
- Knowledge of appropriate materials, methods, and the tools required in various Public Works processes
- Strong working mechanical knowledge of machines and tools, including their uses, repair, and maintenance
- Ability to work independently and complete daily activities according to work schedule
- Knowledge of workplace safety and safe lifting and handling procedures
- Ability to lift heavy objects (50 lbs), walk and stand for long periods of time and perform strenuous physical labor under adverse field conditions
- Preference will be given to candidates with the following, but these are not necessary requirements to apply for the position:
  - Standard First Aid, CPR, and WHMIS
  - 3 to 5 years' experience as a Heavy Equipment operator in a municipal or comparable setting including but not limited to backhoes, loaders, and graders
  - Mechanical and automotive repair experience an asset

### **Duties:**

- Traffic Control, including but not limited to, the maintenance of street signs, traffic control signs and traffic signals
- Street Maintenance, including but not limited to gravelling, grading, patching, crack sealing, line marking, snow removal, sanding, street sweeping
- Drainage, including but not limited to, clearing debris and ice blockages from catch basins, and removing weeds and debris from ditches
- Mosquito Control
- Heavy equipment operation at the Kindersley Waste & Recycle Centre
- Maintain sewage lagoon, pump house and lift stations in the sewage system
- Maintain the sewage collection mains and house service connections
- Maintain the water distribution system and house service connections
- Maintain, repair & install curb stops, valves and fire hydrants
- Opening and closing graves

This is a full-time in-scope labourer position. Standard hours are from 8:00 am to 5:00 pm with additional callouts, holiday and weekend work with overtime as required.

Please submit cover letter and a detailed resume by 4:00 pm, September 27, 2017 to:
