Our more than 5,400 dedicated employees keep the buses, the people and in so many ways the vibrant pace of this city moving.

As an Assistant Maintenance Manager, you will manage trade and service employees engaged in the maintenance, repair and servicing of revenue buses and non-revenue vehicles, associated equipment .

Responsibilities

- Oversee the Planning, scheduling and monitoring of the preventive maintenance, and corrective maintenance repairs to ensure maximum availability of vehicles in a safe, road worthy condition and to meet fleet service requirements.
- Supervises the shift supervisors to ensure:
- adequate staffing levels are met for all shifts,
- Proper procedures are followed by all supervisors,
- Safe work practices are maintained
- Manages the implementation of maintenance programs and solutions to fleet maintenance and repairs for the transit centre that the assistant maintenance manager is responsible for

Qualifications

- Diploma/degree in a related mechanical field or red seal mechanical trade
- Courses in supervisory techniques and interpersonal skills
- Previous experience in progressively responsible positions relating to commercial vehicle maintenance, which includes supervisory or management experience

Technical Skills:

- Advanced knowledge of principles, theory, concepts and practices of vehicle maintenance

Other skills:

- Strong communication skills, both written and oral
- Ability to work under pressure and tight deadlines
- Experience in multi-disciplined team in a unionized environment is an asset
- Good negotiations and problem solving skills
