## Job Overview

The Township of Langley is currently recruiting for a regular full-time **Truck Driver IV** to join our team of professionals in the Public Works Division, Stormwater Department. Reporting to the Stormwater Manager, in this unionized position you will operate tandem axle dump and multi axle trailer unit with a GVW of up to 46,900 kilograms (103,400 lbs). This position will load and dump both the trailer and main dump box while ensuring that environment and safe work practices are maintained.

## Responsibilities

- Drive a (Standard and Automatic) tandem axle dump truck (GVW 23,500kg) and tow a multi axle trailer (GVW 23,400kg) used to transport construction and maintenance materials such as dirt, gravel, pipe, salt, blacktop and sand
- Perform trailer loading/unloading and may be required to supervise employees engaged in related duties
- Operate hydraulic and electric controls used to connect the trailer to the main truck and ensure that the multi-axle trailer is secured for dumping and transporting operations
- Shift work is a requirement of this position for winter maintenance duties
- Operate trucks and attachments to plow snow, salt and sand streets
- Perform pre-trip inspections and adjust, service, clean and as required, make minor running repairs
- Perform related duties as required

## Qualifications

- Completion of Grade 12 or equivalent, plus considerable related experience, preferably as a Truck Driver III or an equivalent combination of training and experience
- Completion of a defensive driving course
- Training/courses in safe and efficient operation of a wide range of small power tools and equipment or an equivalent combination of training and experience
- Thorough knowledge of the rules of safe operation and precautions required in operating a large tandem axle dump truck and multi axle trailer unit
- Sound knowledge of the methods of loading, unloading, and transporting a variety of equipment and materials
- Sound knowledge of the geography and street layout of the Township and of designated truck routes
- Ability to operate heavy trucks safely and efficiently, with attached or auxiliary equipment
- Ability to follow written/oral instructions and communicate effectively with internal/external contacts and crews
- Ability to participate in work at job sites while truck is idle and supervise others performing related tasks
- Sound mechanical aptitude

The hours of work are Monday to Friday 8:00am – 4:30pm. In addition, **a requirement of this position will include winter maintenance shifts from November 1<sup>st</sup> – March 31<sup>st</sup> during winter weather events. Winter maintenance shift patterns are as follows and can be up to 12 hours in duration:**

- Morning Shift: 4:00am – 12:30pm
- Day Shift: 8:00am – 4:30pm
- Afternoon Shift: 12:30pm – 9:00pm

## Required Certifications/Licenses

Candidates **must** have the following valid and **current** certifications/licenses (must be valid at the time the posting closes) and these **must** be attached with your application.

- BC Class 1 Driver's License with Air Brake Endorsement. You must include with your application a current **Personal Driving Record (select the 5-year option if obtaining online)** that has been obtained within 6 months of the closing date. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside. Please note that a copy of your Driver's License and/or Driver Factor Report **will not** be accepted.

**Applications without the attached required documents above will be deemed incomplete and may not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply.**
