Careers

Chief Technology Officer

Join our dynamic team!

Help create Kelowna as *a City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly, and lead responsibly. Are you a visionary leader with a passion for technology and innovation? Do you have experience driving business innovation through digital transformation? If so, we want you to join our team as our Chief Technology Officer (CTO)

As our CTO, you will be responsible for developing and implementing a cohesive vision for technology-based service delivery, both internally and externally. You will play a key role in elevating service delivery, increasing cost efficiencies, and enhancing cyber security. You will also be responsible for creating partnerships with government, academia, and community stakeholders to deliver Intelligent Community initiatives, including smart systems, open data, cloud computing, and dark fibre.

You have a Bachelor of Science Degree in Computer Science, at least 10 years of information services management experience as well as strong analytical, and critical thinking skills. You are a proven influential leader with excellent communication, teambuilding, and interpersonal skills to effectively lead a team and build strong working relationships and partnerships with both internal and external stakeholders. Join us and help transform our city through technology and innovation.

Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You are only a quick link to the world via the Kelowna International Airport. Grow your career in an organization that supports employee work-life balance and career and professional development. This exempt position offers a salary range of $192,500 to $224,550, employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.
