

Employment Opportunity

Fire Prevention Officer

Permanent Full-Time

The Town of Morinville is currently seeking a full-time Fire Prevention Officer to join our Morinville Fire Department. The Morinville Fire Department is committed to providing the highest level of fire-related emergency services to protect the life and property of Morinville and surrounding area residents. The provision of front-line fire rescue services, fire prevention programs, and public education make the Town a safer and healthier place. Under the direction of the Fire Chief/ Manager, Community Safety Services, the Fire Prevention Officer provides services while also implementing safety programs to manage the community fire risk.

Key Responsibilities:

- Developing and maintaining a comprehensive set of procedures for the consistent application of a risk-based approach to fire inspections by delivery of the Fire Quality Management Plan.
- Leads the design, implementation, and evaluation of public fire and life safety education, while participating and promoting fire prevention initiatives and public awareness programs.
- Conduct inspections of buildings and structures in an assigned area to identify and locate fire hazards to ensure compliance with the Safety Codes Act, National Fire Code, Alberta Edition, and related standards as well as Town Bylaws.
- Assisting designers and contractors by providing information and interpretations of fire codes and regulations, recommending necessary changes to design documents as required.
- Approve fire safety plans and confirm building fire alarm systems, fire pumps, standpipe systems, sprinkler systems, emergency power generator systems, smoke control systems, and elevator control systems are functional.
- Review and interpret technical reports, examine building plans, review building development plans, conduct seminars and make presentations on fire safety and fire prevention programs.
- Develop or assist with the development and presentation of reports/budgets for Council.
- Respond to emergency situations dealing with fire suppression, rescue, dangerous goods control functions if needed.

Requirements:

- High School Diploma or equivalent.
- Minimum of 3 years' experience as a Certified Safety Codes Officer in the Fire Discipline is required.
- Safety Codes Officer in the Fire Discipline (SCO-Fire) Group B2 Certification required (Inspections).
- Safety Codes Officer in the Fire Discipline (SCO-Fire) Group C2 Certification preferred (Investigations).
- Minimum of 5 years' experience as a Firefighter with a recognized fire emergency services organization is required.
- Current First Aid—HCP level/CPR/AED is required.
- A valid Alberta Class 3 with Q-endorsement and a satisfactory drivers abstract is required.
- National Fire Protection Association (NFPA) Certifications: 1001-L1/L2, 1002-All Levels are required. NFPA 1021-L1 and 1041 – L1 are considered assets.
- Maintain physical standard set by the Morinville Fire Department for high stress working conditions that include heights, heavy lifting, physical exertion, rapidly changing environmental conditions found in dealing with emergency situations.
- Thorough knowledge of and the ability to interpret applicable codes, regulations, legislation, safety plans, building plans and reports.
- Highly developed interpersonal and communications skills (written and verbal).
- Demonstrated ability in working with fellow staff, organizational departments, and paid-on-call firefighters.
- A satisfactory Criminal Record Check including Vulnerable Sector is a condition of employment.

Compensation/Hours of Work: \$71,836 - \$85,776/annum (based on a 7-step wage grid). We offer a comprehensive benefits package including pension, workplace development and great opportunities for employees to become involved in the community. Hours of work are based on a 35-hour work week.

Application Deadline: Wednesday, May 29, 2024, by 12:00pm (noon).
