## Design Technician (Project Coordinator)

### Build the best!

The City of Kelowna is seeking an experienced Civil Engineering Technologist to join our Infrastructure Delivery Department in the delivery of a safe, vibrant, and sustainable city.

With a Civil Engineering Technology Diploma and a minimum of five years of experience, you will be responsible for overseeing the design and construction for a wide variety of the City's capital projects. Typical projects include road and bridge improvements, sidewalks, bike paths and utility upgrading for water, sanitary sewer and drainage systems. The successful incumbent will be responsible for liaising with consultants, contractors, external partners and various City departments on all aspects of project delivery. For this position, we are seeking someone with extensive design experience as well as demonstrated experience in project management and construction inspection.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

Grow your career in an organization that supports employee work-life balance and career and professional development. This is a CUPE bargaining unit position with an hourly rate starting at \$49.66 per hour plus employer-paid comprehensive benefits, an earned day off program, paid vacation and one of Canada's top pension plans.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
