Job Overview

The Township of Langley is currently recruiting for up to two regular full-time **Plan Reviewer's** to join our team of professionals in the Permits, Licences and Inspections Division, Permits and Inspections Department. Reporting to the Manager, Permits and Inspections, in this unionized position you will apply your knowledge and experience to process building permit applications and review plans and specifications that accompany the applications.

Responsibilities

- Review plans, drawings and specifications connected to residential, multi-family, commercial or industrial building permit applications to ensure conformance with the building code and applicable Municipal regulations/bylaws
- Process the building permit application through applicable Municipal departments, ensure that all necessary approvals, recommendations are obtained and issue building permits for approved applications
- Calculate stress and loading factors on beams, footings and other structural components to ensure that they are within allowable limits
- Carry out field inspections of single-family dwellings, secondary suites, ancillary structures and small commercial buildings during the course of construction, alteration and repair to ensure conformance to the reviewed plans and established codes and regulations and assist in more complex building inspections as required
- Prepare reports and correspondence and maintain various records, files and maps
- Perform clerical tasks and related work as required

Qualifications

- Graduation from a technical institute in Building Technology, or a related subject; or completion of a recognized trades apprenticeship, plus completion of code related courses; supplemented by certification as a Building Official 1 (BOABC) and sound related experience in municipal plan checking and/or the building construction industry or an equivalent combination of training and experience
- Considerable knowledge of the applicable sections of the Building Code, building and zoning bylaws, policies and procedures governing the role of the section
- Considerable knowledge of building construction practices, methods and materials
- Ability to read plans and drawings, understand related technical data and suggest changes as required
- Ability to carry out stress and loading calculations on beams, footings and other structural components
- Certification as a Building Official Level 3 is considered an asset

Required Certifications/Licenses

Candidates **must** have the following valid and **current** certifications/licenses (must be valid at the time the posting closes) and these **must** be attached with your application.

- BC Class 5 (full privilege) Driver's License. You must include with your application a current **Personal Driving Record (select the 5-year option if obtaining online)** that has been obtained within 6 months of the closing date. To obtain a copy of your **Personal Driving Record**, please contact ICBC directly or the driving authority where you reside. Please note that a copy of your Driver's License and the Driver Factor Report **will not** be accepted.
- BOABC Level 1 and/or Level 2 certification
- Registration as a Building Official

Applications without the attached required documents above will be deemed incomplete and may not be considered. Please title your attachments with the number of this competition and have these documents ready to upload when you apply.
