Compost Coordinator – 1 Year Term

Passionate about the Environment, Operations and Public Service!

We are looking for a Compost Coordinator for a 1 year term, to organize and supervise staff, coordinate the daily operations and maintenance at the City's Regional Biosolids Composting Facility in Vernon. You will be responsible to review, research and provide technical advice to ensure compliance with environmental regulations and policy. You will also educate customers and respond to enquiries and complaints.

The successful candidate will have completed a Diploma in Environmental Sciences or related discipline and have sound knowledge of Organic Matter Recycling and regulatory requirements applicable in the Province of British Columbia and Canada. You will have excellent communication, interpersonal and problem-solving skills.

Help create Kelowna as a *City of the Future*. Our diverse and dynamic team strives to innovate to make things better, work as one team, serve proudly and lead responsibly. Live, work and play in one of Canada's fastest growing cities. Kelowna boasts miles of lake access, public areas and outdoor recreation opportunities, a vibrant downtown and cultural scene, healthy and connected neighbourhoods, and a world-renowned College and University. You're only a quick link to the world via the Kelowna International Airport.

This is a CUPE bargaining unit position working 40 hours per week, with a rate starting at \$43.87 per hour plus 14% in lieu of vacation, statutory holidays and benefits.

The Regional Biosolids Compost Facility is located at 551 Commonage Road, south of Vernon and is the primary location for this position.

The City of Kelowna is committed to being an organization that values and reflects its community's diverse population, and to fostering an equitable, inclusive and progressive work environment where everyone can be their authentic self and feels a sense of belonging.
