

BUILD A CITY. BUILD A FUTURE.

FIELD SUPERVISOR 1 EOCP - WATER OPERATIONS

*As one of the fastest growing cities in Canada, City of Surrey is a globally recognized leader in building vibrant, sustainable communities through technology and innovation. City of Surrey employees are talented innovators, inspired by meaningful work and the opportunity to drive our city—and their careers—forward. **Build a City. Build a Future** at the City of Surrey*

SCOPE

The Engineering Department has regular full time opportunity for Field Supervisor 1 EOCP position in the Water Operations Section. The Field Supervisor 1 performs varied technical work of a supervisory nature. You will assist in skilled manual tasks involving considerable physical effort in the performance of a variety of Water construction and maintenance projects with the crew.

EMPLOYMENT STATUS

Union – CUPE Local 402 – Regular Full-Time

RESPONSIBILITIES

- Assist senior staff in the direction, supervision and planning of the crews in construction and maintenance projects.
- Assist crew members in performing duties in maintenance and construction of water systems.
- Prepare work schedules and determine materials and equipment required.
- Ensure safety regulations are being met by the crews.
- Provide guidance and training for the crew and assist senior supervisory staff in evaluating employees.

QUALIFICATIONS

- Completed Grade 12, supplemented by at least 3 full credit courses (accredited by BCIT or another approved technical institution), one of which must be related to supervisory skills and one which must be related to civil engineering.
- Considerable experience in supervision, construction and maintenance operations is required as well as personal computer and software knowledge.
- You must have a valid BC Driver's License with a safe driving record.
- EOCP Level 1 Water Distribution certification in good standing.
- You must have the ability to communicate effectively, understand and effectively carry out oral and written instructions, and have knowledge of applicable safety regulations.
