### Close Date

June 19, 2026

At the City of Kamloops, we believe in progressive and barrier-free recruitment for everybody every day. This means employment opportunities for all in a safe, inclusive and diverse workplace. We know our city is stronger when we hire qualified individuals from different backgrounds with diverse experiences, cultures and perspectives.

We are focused on creating the highest levels of service excellence, based on an organization-wide community culture that celebrates our employees who make it all happen. We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience. This is Kamloops!

*Let's make Kamloops shine! Join our team today.*

### Position Overview

The City of Kamloops has an opportunity for a technically skilled **permanent, full-time Engineering Development Technician II** to join our Engineering Development team. In this role you will review and report on complex engineering plans, design drawings and projects, and inspect construction developments for municipal infrastructure to ensure compliance to municipal standards. As a key member of the team, you will play an important role in supporting sustainable growth and helping shape the future development of our community. This position requires a well-organized, resourceful, and collaborative individual with strong technical knowledge, problem-solving abilities, and interpersonal skills. If you are someone, who shares our corporate values of resiliency, purposefulness, trust, inclusivity, health conscious, and cooperation, and who wants to contribute to the development of their community in a meaningful way, then the Engineering Development Technician II position may be a fit for you!

### Living in Kamloops

We are known as Canada's Tournament Capital and are famous for our hospitality and community spirit, traits that make us a leader! Recreation, sports, arts and culture, health care, social activities, volunteerism, and affordable housing all meld to form a unique blend of big-city amenities with small-town ambience.

We have world class, hiking and biking trails, ski resorts, green spaces, and facilities to fit whatever your passions are! We are nestled in the interior of British Columbia a few hours away from the Okanagan lakes and the Vancouver coastline. This is Kamloops!

The successful candidate must have the following qualifications:

1. Completion of senior secondary school or its equivalent.
2. Completion of a two-year diploma in Civil Engineering or Engineering Technology.
3. Minimum three years' experience in design and field inspection of municipal facilities, including waterworks, sewage, roads, and structures.
4. Registered as a Certified Technician (CTech) in Civil with the Applied Science Technologists and Technicians of British Columbia (ASTTBC).
5. Valid Class 5 BC Driver's Licence.

For new hires, and for those working in designated positions of trust, including those working directly with vulnerable persons, no formal offer of employment will be made until an applicant completes a police information check. A comprehensive benefits package is included with this position. This is a CUPE local 900 position.
